The Employer shall make available to the Service Provider the Services and Facilities listed under Appendix E.

6. Payments to the Service Provider

- 6.1 Time-Based Remuneration** The Service Provider's remuneration shall not exceed the Contract Price rates and shall be subject to the quantities performed as agreed with the purchaser including all Subcontractors' costs, and all other costs incurred by the Service Provider in carrying out the Services described in Appendix A. - 6.2 Contract Price** (a) The price payable in Namibian Dollars is the Contract Agreement signed by the Parties.
- 6.3 Payment for Additional Services, and Performance Incentive Compensation** 6.3.1 For the purpose of determining the remuneration due for additional Services as may be agreed under Sub-Clause 2.4, an increase in the remuneration may be done by increasing the quantities multiplied by the unit price thereto provided in Appendices D and E.
- 6.4 Terms and Conditions of Payment** 6.4 Payments will be made to the Service Provider according to the payment schedule **stated in the SCC. Unless otherwise stated in the SCC**, the advance payment (Advance for Mobilization, Materials and Supplies) shall be made against the provision by the Service Provider of a bank guarantee from a bank operating in Namibia for the same amount, and shall be valid for the period **stated in the SCC**. - 6.6 Price Adjustment** 6.6.1 Prices shall be adjusted for fluctuations in the cost of inputs only if provided for in the SCC. If so provided, the amounts certified in each payment

certificate, after deducting for Advance Payment, shall be adjusted by applying the respective price adjustment factor to the payment amounts due in each currency. A separate formula of the type indicated below applies to each Contract currency:

$$P_c = A_c + B_c \text{ Lmc/Loc} + C_c \text{ Imc/Ioc}$$

Where:

P_c is the adjustment factor for the portion of the Contract Price payable in a specific currency "c".

A_c , B_c and C_c are coefficients specified in the SCC, representing: A_c the nonadjustable portion; B_c the adjustable portion relative to labor costs and C_c the adjustable portion for other inputs, of the Contract Price payable in that specific currency "c"; and

Lmc is the index prevailing at the first day of the month of the corresponding invoice date and Loc is the index prevailing 30 days before Bid opening for labor; both in the specific currency "c".

Imc is the index prevailing at the first day of the month of the corresponding invoice date and Ioc is the index prevailing 30 days before Bid opening for other inputs payable; both in the specific currency "c".

If a price adjustment factor is applied to payments made in a currency other than the currency of the source of the index for a particular indexed input, a correction factor Z_o/Z_n will be applied to the respective component factor of p_n for the formula of the relevant currency. Z_o is the number of units of currency of the country of the index, equivalent to one unit of the currency payment on the date of the base index, and Z_n is the corresponding number of such currency units on the date of the current index.

6.6.2 If the value of the index is changed after it has been used in a calculation, the calculation shall be corrected and an adjustment made in the next payment certificate. The index value shall be deemed to take account of all changes in cost due to fluctuations in costs.

6.7 Day works 6.7.1 If applicable, the Day work rates in the Service

Provider's Bid shall be used for small additional amounts of Services only when the Employer has given written instructions in advance for additional services to be paid in that way.

6.7.2 All work to be paid for as Day works shall be recorded by the Service Provider on forms approved by the Employer. Each completed form shall be verified and signed by the Employer representative as indicated in Sub-Clause 1.6 within two days of the Services being performed.

6.7.3 The Service Provider shall be paid for Dayworks subject to obtaining signed Dayworks forms as indicated in Sub-Clause 6.7.2

6.8 Labour Clause

6.8.1(a) The remuneration and other conditions of work of the employees of the Service Provider shall not be less favourable than those established for work of the same character in the trade concerned-

- (i) by collective agreement applying to a substantial proportion of the employees and employers in the trade concerned;
- (ii) by arbitration awards; or
- (iii) by Remuneration Orders.

(b) Where remuneration and conditions of work are not regulated in a manner referred to at (a) above, the rates of the remuneration and other conditions of work shall be not less favourable than the general level observed in the trade in which the contractor is engaged by employers whose general circumstances are similar.
