### 11. Technical Compliance

The Specifications and Compliance Sheet details the minimum specifications of the works to be carried out. The specifications have to be met, but no credit will be given for exceeding the specifications.

### Technical evaluation bid table

| No | Description   | YES/<br>NO |
|----|---|------------|
| 1  | Section IV; Priced Activity Schedule/Bill of Quantity is completed in full, all lines items are costed in full and signed by the authorised person to submit the bid.   |            |
| 2  | Section V; Specifications and Compliance Sheet is completed in full and signed by the authorised person to submit the bid, and compliance or details of non-compliance to all lines items is indicated.   |            |
| 3  | Past experience and evidence of previous work performed submitted is supported by Completion Certificates and Reference letters with contact details of clients who may be contacted for further information on those contracts.  |            |
| 4  | Proof of works completed within the past 3 years with the value of not less than N\$ 600,000.00   |            |
| 5  | Bidder has submitted a detailed preliminary work program/schedule with volumes and milestones.  |            |
| 6  | Bidders has submitted qualifications and experience (Trade Diploma/Certificate and 3 years' experience of key site management and technical personnel (Site Manager and Site Foreman) proposed for the Contract.  |            |
| 7  | Bidder has submitted documentary evidence that the bidder does not have any conflict of interest with other bidders or the public entity. A Bidder may be considered to be in a conflict of interest with one or more parties in this bidding process if, including but not limited to; |            |
|    | Bidders have controlling shareholders in common; or<br>Bidders receive or have received any direct or indirect subsidy from any of<br>them; or  |            |

|   | Bidders have the same legal representative for purposes of this Bid; or   |  |
|---|---|--|
|   | Bidders have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the Bid of another Bidder, or influence the decisions of the purchaser regarding this bidding process   |  |
|   | a bidder participates in more than one bid in this bidding process. Participation by a Bidder in more than one Bid will result in the disqualification of all Bids in which it is involved. However, this does not limit the inclusion of the same subcontractor, not otherwise participating as a Bidder, in more than one bid; or |  |
|   | a bidder or any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the goods and services that are the subject of the bid.  |  |
| 9 | OVERALL TECHNICAL COMPLIANCE  |  |

NOTE: Bidder's that do not comply with the stipulated requirements will be deemed non-responsive, therefore disqualified and excluded from further evaluation and comparison.

### (i) Financial Evaluation

| # | DESCRIPTION  |  |
|---|--|--|
| 1 | Bidders price is quoted in Namibian Dollars                  |  |
| 2 | Bids is within 5% below or 5% above the Ministry's Estimate. |  |
| 4 | OVERALL FINANCIAL COMPLIANCE                                 |  |

### 12. Prices and Currency of Payment

Prices for the execution of works shall be fixed in Namibian Dollars as quoted. Quotations shall cover all costs of labour, materials, equipment, overheads, profits and all associated costs for performing the works, and shall include all duties. The whole cost of performing the works shall be included in the items stated, and the cost of any incidental works shall be deemed to be included in the prices quoted.

### 13. Margin of Preference

13.1. The applicable margins of preference and their application methodology are as follows:

| CATEGORIES OF BIDDERS              | Margin of Preferences |
|------------------------------------|-----------------------|
| Micro, Small and Medium Enterprise | 1%                    |
| Woman owned enterprise             | 1%                    |
| Youth owned enterprise             | 2%                    |
| Previously Disadvantaged Person    | 2%                    |

13.2. Bidders applying for the Margin of Preference shall submit, evidence of:

| CATEGORIES OF BIDDERS           | Margin of  | DOCUMENTARY EVIDENCE                        |
|---------------------------------|------------|---|
| Micro, Small and Medium         | preference | CME   |
|                                 | 1%         | -SME registration certificate               |
| Enterprise                      |            | -Declaration indicating the percentage of   |
| 777                             | 10/        | Namibian MSME ownership.                    |
| Woman owned enterprise          | 1%         | -IDs of all shareholders                    |
|                                 |            | -Founding statement/company registration    |
|                                 |            | indicating ownership structure/shareholder  |
|                                 |            | certificate                                 |
|                                 |            | -Declaration indicating the percentage of   |
|                                 |            | Namibian female ownership.                  |
| Youth owned enterprise          | 2%         | -IDs of all shareholders                    |
|                                 |            | -Founding statement/company registration    |
|                                 |            | indicating ownership structure/shareholder  |
|                                 |            | certificate                                 |
|                                 |            | -Declaration indicating the percentage of   |
|                                 |            | Namibian youth ownership.                   |
| Previously Disadvantaged Person | 2%         | -IDs of all shareholders                    |
| owned enterprise                |            | -Founding statement/company registration    |
|                                 |            | indicating ownership structure/shareholder  |
|                                 |            | certificate                                 |
|                                 |            | -Declaration indicating the percentage of   |
|                                 |            | Namibian PDPs ownership.                    |
| Suppliers providing employment  | 1%         | -Declaration that the bidder employs 50% or |
| to Namibian                     |            | more Namibian citizens.                     |
| TOTAL                           | 7%         |   |

### 14. Award of Contract

The Bidder having submitted the lowest evaluated responsive bid and qualified to perform the works shall be selected for award of contract subject to the application of margin of preference. The award shall be done in accordance with the provisions of Section 55 of the Public Procurement Act, 2015, (Act No. 15 of 2015 as amended). Award of contract shall be by issue of a Purchase Order in accordance with terms and conditions contained in Section IV: Contract and the General Conditions of Contract. The Otjozondjupa Regional Council reserves the right to award projects with similar nature to multiple bidder, splitting one project per bidder.

### 15. Performance Security

[[Not applicable]

### 16. Notification of Award and Debriefing

The Public Entity shall after award of contract promptly inform all unsuccessful bidders in writing of the name and address of the successful bidder and the contract amount and post a notice of award on its website within 7 days. Furthermore, the Public Entity shall attend to all requests for debriefing made in writing within 7 days of the unsuccessful bidders being informed of the award.

Public Entity shall attend to all requests for debriefing made in writing within 7 days of the unsuccessful bidders being informed of the award.

17. The Employer undertakes to effect payment within 90 days after completion of the services to the satisfaction of the client subject to the service provider submitting all required documents to initiates the payment. Final payment shall be adjusted to reflect any noncompliance in the execution of the contract.

### **SECTION II: QUOTATION LETTER** (to be completed by Bidders)

[Complete this form with all the requested details and submit it as the first page of your quotation with the Priced Activity Schedule and documents requested above. A signature and authorisation on this form will confirm that the terms and conditions of the RFQ prevail over

| Quotation address                                    |  | Otjozondjuj                    | oa Regional                 | <i>ill be rejecte.</i><br>Council: | <u> </u>                     |                              |

### SECTION III: STATEMENT OF REQUIREMENTS

### TECHNICAL SPECIFICATIONS AND PERFORMANCE REQUIREMENTS

### SECTION III: STATEMENT OF REQUIREMENTS

This text hereunder is a guidance for the preparation of the Specifications and Performance Requirements and should not form part of the final document

### A. SCOPE

This Specification covers the requirements to construct three classroom blocks with storeroom.

### STANDARD SPECIFICATIONS

The following Standard Specifications form part of this Specification when reference is Made thereto. The Contractor must therefore, keep himself fully up to date on the latest Addition of these Standard Specifications.

| non of these standard s | pecifications.   |
|-------------------------|--|
| SANS 0142               | the code of practice for the wiring of premises                                |
| SANS 1125               | room Air conditioner   |
| SANS 0147               | refrigeration systems including plants associated with air conditioning system |
| SANS 10400              | national building regulations  |
| SANS 1058               | concrete paving blocks.  |
| SANS 10100              | code of practice for structural use of concrete                                |
| SANS 10163              | the structural use of timber   |
| SANS 10162              | the structural use of steel  |
| SOSHACT                 | machinery and occupational health and safety act                               |
| SANS 1424               | filters for air conditioning and general ventilation.                          |
| SANS 1200               | general (small works)  |
| SANS 10164              | the structural use of masonry  |
|                         | Factories, machineries factories and building works ordinance                  |
|                         | And building Act 1952 and regulations  |
|                         |  |

### SECTION V: SPECIFICATIONS AND COMPLIANCE SHEET

[Bidders should complete columns C and D with the specifications and performance of the Works offered. Also state "comply" or "not comply" and give details of any non-compliance/deviation to the specifications required. Attach detailed technical literature if required. Authorise the specifications offered in the signature block below]
